SUMMER CAMP
11911 Leavitt Rd
Oberlin, Oh 44074

Summer Camp runs Monday through Thursday from 9:00 AM - 1:00 PM.

We begin the day with feeding the horses at 9:00 AM and everyday campers learn something new. Along with learning to ride there will be a veterinarian, saddle fitter, and a blacksmith that will speak to the campers.

Campers will also learn:

- Safety around horses
- Learn to ride English and Western
- Bathe and clip a horse for a show
- Groom, saddle and bridle a horse
- How to clean a stall

Every day each camper will ride a horse.

There are 4-6 kids for each camp session, supervised by 2 adult instructors and 1 instructor aide. Each camper must bring a **packed lunch & drinks**. During lunch campers will watch instructors give an actual lesson.

We also recommend a bandana to wear under their helmet.
